

WE'RE HIRING

CSI WORKFORCE IS LOOKING TO HIRE INSTRUCTORS TO TEACH IN BURLEY FOR OUR MAINTENANCE TECHNICIAN APPRENTICESHIP

DO YOU WANT TO PREPARE THE PATHWAY FOR MAINTENANCE TECHNICIANS? THIS MIGHT JUST BE THE JOB FOR YOU!!

APPRENTICESHIP

- Apprenticeship is an industry-driven, high-quality career pathway where employers can develop and prepare their future workforce, and individuals can obtain paid work experience, classroom instruction, mentorship, and a portable credential.
- A maintenance technician position is one of the most in-demand occupations in the region.

CSI'S WORKFORCE MISSION

- Backed by the College of Southern Idaho, we believe in the power of learning, whether that is in a classroom, lab, or in-the-field training. Our training is designed to connect motivated individuals with the skills they need to grow in their careers, right here in the Magic Valley.
- We're passionate about supporting our business community and have served sole proprietors, regional, national, and international companies with their needs in business and technical skills training.

IDEAL CANDIDATE/S

- We are looking for a variety of instructors that can come in and teach in there area of expertise for the following topics listed on page 2
- We want someone that would enjoy teaching
- Wants to make a difference in the community and build a pipeline of talent
- Experience teaching and/or expert on the topics

PROGRAM DETAILS

- This is a 2-year Maintenance Technician Apprenticeship Program
- Class will be 3 hours, 1 day a week, from 4-7pm
- Teaching hours/length will depend on expertise of content (please review topics on 2nd page)
- Location to be at the CSI-Mini-Cassia Center
- Class will begin January 9th, 2023

EXPECTATIONS OF THE JOB

- Complete the online mandatory CSI Title IX, and FERPA Training
- Support students in ongoing success
- Utilize the CSI Maintenance Technician curriculum, simulators, apps, and equipment to instruct and teach students
- Take and pass a Background Check

WORKING FOR WORKFORCE DEVELOPMENT

- Pay \$27-30 hour, depending on experience, 4/hrs a week in class, 3/hrs in class time, and 1/hr class set-up time, will pay up to 70 miles round trip @ .585 per mile
- Build and develop local workforce talent
- Social interaction with the team, community, and students
- Ongoing support from Apprenticeship Coordinator
- Free enrollment for Workforce Training courses (excluding supplies)
- Training materials and resources provided
