

ATI TEAS Test Information

Applicants are required to take the ATI TEAS Exam prior to the application deadline.

TEAS must be completed within one (1) year of application.

Waiting period between taking the TEAS is 14 days due to ATI regulation.

When ready to take the TEAS test, [CSI Testing Center](#) can assist with the creating of the account and paying for the test when student is ready to take the TEAS test.

Students can create their TEAS user account prior to going to the CSI Testing Center. Visit atitesting.com Students will only need to create their TEAS user account. When ready to take the test, students will need their account user information.

To learn more about the TEAS exam please reference [About the ATI TEAS](#); you are encouraged to scroll to the bottom of the page and review *Questions? You are Not Alone* for more information.

You can take the TEAS Exam on-campus at a [CSI Testing Center](#) or at a PSI National Testing Center.

A copy of the ATI TEAS study guide is available at the CSI library and at our outreach centers. You are encouraged to reference [ATI TEAS Prep Products](#) to prepare for the exam.

Students who are out-of-state or remotely must select either TEAS at ATI or TEAS at PSI option.
