

BUILDING YOUR NEEDED TALENT

Our mission at CSI Workforce Development & Training is to "strengthen our community through connecting, understanding, and igniting the potential we all have to attain growth and success.

We know how important skilled employees are to growth, engagement, and culture, and that's why we're passionate about supporting our business community. Through partnerships, we can continue to support efforts to bolster our community's evolving workforce.

THRIVE TOGETHER

ATTEND THIS FREE EVENT AND PARTICIPATE IN THE FOLLOWING:

We are working with employers to understand what jobs are most critical and need help in filling and what skills these positions require. We work as a system (education, industry and community) to address barriers whether that be skills, wrong perception of the industry, unawareness of positions, lack of childcare, etc. Interested in sharing your needs RSVP with us today!
