

# WE'RE HIRING

CSI WORKFORCE IS LOOKING TO HIRE  
AN INSTRUCTOR TO TEACH IN JEROME  
FOR OUR MACHINE OPERATOR  
APPRENTICESHIP

**DO YOU ENJOY TEACHING?  
THIS MIGHT JUST BE THE JOB FOR  
YOU!!!**

## EXPECTATIONS OF THE JOB

- This is a part time position with a 2-year commitment
- Class will be 2-days a week Tuesdays and Wednesdays from 11:45am-1:00 pm located at the CSI Jerome Center
- Class will begin August 23rd, 2022 and end May 17th, 2023 for the first year.
- Second year days and hours still to be determined based on the Jerome High School calendar and instructor feedback
- Take the online mandatory CSI Title IX, and FERPA Training
- Support students in ongoing success
- Utilize the CSI Machine Operator curriculum, simulators, and apps to instruct and teach students
- Take and pass a Background Check

## WORKING FOR WORKFORCE DEVELOPMENT

- Pay \$27-30 hour, depending on experience, 3/hrs a week in class, 2/hrs in class time, and 1/hr class set-up time, will pay up to 45 miles round trip @ .585 per mile
- Maintain your involvement within the community and your connection in the classroom
- Build and develop local workforce talent
- Ongoing support from Apprenticeship Coordinator
- Free enrollment for Workforce Training courses (excluding supplies)
- Training materials and resources provided

## APPRENTICESHIP

- Apprenticeship is an industry-driven, high-quality career pathway where employers can develop and prepare their future workforce, and individuals can obtain paid work experience, classroom instruction, mentorship, and a portable credential.
- A machine operator position is one of the most in-demand occupations in the region
- This is an opportunity for youth to go into a career and progress into a pathway

## CSI'S WORKFORCE MISSION

- Backed by the College of Southern Idaho, we believe in the power of learning, whether that is in a classroom, lab, or in-the-field training. Our training is designed to connect motivated individuals with the skills they need to grow in their careers, right here in the Magic Valley.
- We're passionate about supporting our business community and have served sole proprietors, regional, national, and international companies with their needs in business and technical skills training.

## IDEAL CANDIDATE

- Would enjoy working with local high school students
- Wants to make a difference in the community and build a talent pipeline
- OSHA 10 Certified Instructor preferred
- Experience teaching and/or expert on the following topics located on page 2
