

# Application Requirements & Score Sheet Info

## Phlebotomy Workforce Program

### Application Requirements

*The following items are required to apply for the program.*

This class requires verification that you are a U.S. citizen or eligible non-citizen. Eligibility must be verified before registration.

Students must be at least 18 years old to participate in clinicals (*per clinical site guidelines*).

Students must have a high school diploma or GED (*or be within 12 months of completing one*). Please note: the national certification exam cannot be taken without proof of completion.

### Letter of Intent

Must be a minimum of 500 words and explain why you believe you would be a good fit for the Phlebotomy Program.

### Application Scoring

*The following items are not required but will gain you more points on the application.*
