

# Keynote Speaker: Winnie Christensen

Winnie Christensen, is the founder and director of the Culture for Change Foundation, a grassroot non profit organization that works with women, girls and local youth by empowering, guiding and helping them create positive change in aspired spaces in the community through culture, social and financial education. Winnie is also the president of the Urban Cultural Fashion show, the co-founder of the Refugee and Women of Colour Coalition, a cultural storyteller/attaché, community Advocate, speaker, a board member of the Magic Valley Arts Council, a member of the YMCA Advisory board, assisted in co-created the City of Twin Falls first Diversity and Inclusion Committee, the former Director of Miss Africa Idaho for 6 years, a proud Rotarian, a wife and a mother to three boys.

Her goal is to bridge the gap in our community and show people we are not that different and we should recognize and celebrate those differences. Born in Kenya now living in Twin Falls county, she is a graduate of Idaho State University. Her personal mantra is: Your life matters, make it count. Live to inspire and support those around you and be mindful of how you make people feel because life is a chain reaction.
