

Healthcare Pathway

NURSE AID

No health care experience?

No problem!

Work with our apprenticeship team to get connected to an employer and begin your journey as a Healthcare apprentice.

1

CERTIFIED NURSE AID

Shortly after employed you will start a 10-week Certified Nurse Aid program where you will earn a state certification.

2

ADVANCED C.N.A

After joining the state registry you can enroll in the 5-week online and advance C.N.A program. Here you will take a deeper dive into the human body, gain confidence in communicating as part of the patient care team.

3

SPECIALTY PROGRAM

Now you are ready to complete any of the three capstone classes:

Mental Health Technician

Restorative Aid

Patient Care Technician

4
